FIRST IN RESULTS TO ADVERTISERS

NUMBER 46

PREDICT SLASH IN NEWSPRINT

**News' Subscription Price to
Be \$2.00 After
July 1**

The war production board's news-paper advisory committee is expected to make another 5 per cent reduction in the paper used by the nation's newspapers, with the possibility of the order becoming effective on July 1.

Last December the WPB issued a general limitation order, No. L-240, which the agency's printing and publishing division said was expected to result in a saving of 10 per cent in newsprint consumption of the United States.

But, the WPB said, only about half of that expected saving has been achieved in the first 5½ months of 1943. An additional 5 per cent—agreed upon by the industry committee—would thus bring total reduction to the 10 per cent figure expected by last winter's order.

News \$2.00 a Year

That is why it becomes necessary to conserve paper stocks. That is why special editions, which if worthy of the name "special edition," would require extra paper, are out for the duration.

The News' subscription has grown rapidly during the last year, and upon at least three occasions reprints of some editions were required to fill the demand. All those whose subscriptions are in arrears will be removed from the News' list on July 1—and the subscription price will be \$2.00 a year after that date. These are measures made necessary by the shortage of skilled help, and the paper stock situation.

Until the new price goes into effect next Thursday, subscribers may pay from 1 to 5 years in advance at the \$1.50 rate.

Pastor Henslee

Off to Conference

The Rev. W. C. Henslee, pastor of the Antioch Methodist church, and Mrs. Henslee left yesterday morning for Chicago where they will attend the 104th session of the Rock River Annual Conference at the Methodist Temple at Washington and Clark streets. The sessions starting yesterday will continue until Sunday night when the conference closes with the reading of ministerial appointments for the district. Bishop Ralph Magee will preside.

The Rock River Conference comprises five districts of the northern third of Illinois and includes about 400 parishes.

Besides the pastor, each church has one lay member of the conference. Antioch's lay member this year is Samuel E. Pollock, with Mrs. Drucilla Ferris, the alternate. Mr. Pollock plans to attend some of the sessions.

Regarding the pastoral appointments, few changes are forecast, due to war time conditions and to the fact that the local district (Chicago Northern) has lost 12 pastors who have entered service as chaplains.

May Stage Dancing

at Legion Carnival

**Auxiliary Co-operates in
Planning Big Show
Aug. 5, 6, 7**

An added attraction—dancing—to-day was being considered by the committee of Legionnaires and Auxiliary members as an extra entertainment feature for the three-day Legion carnival to be held here on Aug. 5, 6, and 7.

The two committees representing the Legion and Auxiliary met Monday night and formulated plans for the event which will offer entertainment for persons of all ages. Under the set-up, the Auxiliary will operate the bingo and hooligan games and the refreshment stands, while the Legion men will look after the rides and other amusement devices, and supervision of the grounds.

Hiring of the Antioch Lions Club big dance platform was in prospect, and arrangements are being made for the installation of a public address system.

One of our every two families have at least two workers. Figure it out yourself how much beyond 10 percent of your family income you can put into War Bonds every payday.

RATIONING TIMETABLE

June 1—

Sugar stamp 13 becomes valid. Good for 5 pounds through August 15.

June 6—

Red L Stamp becomes valid. Good through June.

June 16—

Shoe stamp 18 becomes good for one pair of shoes.

June 28—

Last day for registering for canning sugar at Antioch Grade school, 10 a. m. to 4 p. m. After this date applications for canning sugar may be made at Ration board headquarters at Lake Villa.

June 30—

Last day for second periodic inspection of passenger car tires for B card holders.

Blue Stamps K, L, and M expire.

Red stamp J expires.

Stamp 24, good for 1 pound of coffee, expires.

During next ration period beginning July 1, one pound of coffee per person will be allowed every three weeks.

Antioch To Be Host to County Firemen Monday

The Antioch Volunteer Fire department will be host to the Lake County Firemen's association at the June meeting to be held in Guild hall here Monday night. The meeting will convene at 8 o'clock for the business session, after which there will be speakers and other entertainment features. Refreshments will be served. An attendance of about 150 is expected.

The County association of firemen is made up of about 25 volunteer and paid units in the various cities and villages and some private firemen's groups maintained by the larger industries along the north shore.

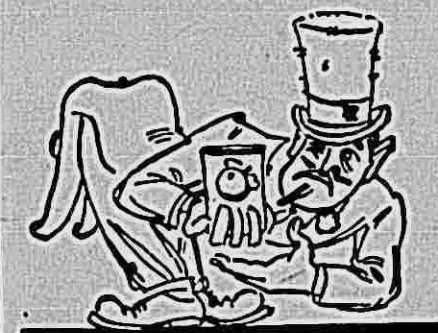

State Police Recover Car Stolen in Antioch

State police reported Friday morning the finding of the Buick automobile belonging to F. B. Swanson, that had been stolen here two nights previous. Left in the driveway of a closed service station in Wauconda, the gas tank was empty, fenders were dented and the muffler was destroyed, indicating that the car had been driven at terrific speed, policemen said.

Swanson, local theatre owner, had left booking schedules and other papers in the car. These had been placed in the glove compartment by the thieves, Swanson said.

News of the Boys in Service

Jack Radtke Injured In Parachute Jump

Pvt. Jack Radtke is in the station hospital at Fort Benning where he is recovering from a badly broken leg. Radtke, a paratrooper, was injured in landing while making a practice leap. His right leg was badly shattered, according to word reaching his parents here, Mr. and Mrs. John J. Radtke, of Channel Lake. It is thought that he will be in the hospital for several weeks.

His address is Station Hospital, Ward C-7, Ft. Benning, Georgia.

Soldier Says News Is Tops

Acting Sergeant Jack L. Seib, Army Radio School, Kansas City, Mo., writes: "I have been in the army for nine months and during that time I have had opportunity of reading newspapers from all over the United States, but yours is tops, as it represents friendliness and people who are working together." The News regards that statement as the best compliment it could receive. Thank you, Sgt. Seib. We are trying to do our job in the best way possible, and you may be sure that the most important news we write is the news of the defenders of our country. This war is reaching every family in America, and everyone is anxious to get it over with. Sgt. Seib has been going to radio school for the last few months. It's really a wonderful opportunity, he says, as he has wanted to go to radio school ever since he was in grade school. His friends here wish him the best of good luck.

JOHN BROGAN IS MADE ARMY MAJOR

Captain John C. Brogan has been made a major in field artillery, according to word received here from field headquarters at Nashville, Tenn. Major Brogan's promotions have been rapid since his enlistment in March, 1941, nine months before Pearl Harbor. First a member of the Reserve Officers Training Corps while attending the University of Illinois, he then took a year's additional training in field artillery at Fort Sheridan where he was given a commission as second lieutenant. Following the outbreak of the war he was promoted to first lieutenant, and later was made a captain. He has been instructor in artillery in many training centers throughout the country. His promotion to the rank of major is a well deserved tribute to his ability.

IT'S HOT IN ARKANSAS

Camp Joseph T. Robinson, Ark. Sunday, June 20, 1943

Antioch News: Just a few lines to let you know I have received the News and I thank you very much. It sure is good to read about everything that has occurred at home.

The weather here in Arkansas is terrifically hot. It has been about 95 to 105 degrees here.

I am learning a great deal here. As you can see I am in the Medical department. I have learned how to dress wounds, etc. I believe this is a great training for anyone to go through. Every week we go on a hike with full pack. Last week it was a 10 mile hike. This week we are to be gone one entire day.

In closing, I thank you again, for I really appreciate the News.

Sincerely yours,

George Sterbenz.

Pvt. Sterbenz during his high school days here was one of the indispensable men on various Sequoit athletic teams, winning his letters in baseball, basketball, track, football and boxing. In the 1940 boxing tournament he won the championship in the 170 pound class, and retained his crown by defeating a tough opponent in the tournament the following year.

BROTHERS IN SERVICE

Among the new names on the News mailing list this week are those of the Edman brothers, sons of Mrs. Marie Edman of Antioch. Herman R. Edman is at Great Lakes, Co. 748; and Pfc. Simon C. Edman is at Camp Perry, Williamsburg, Virginia.

SOLDIER APPRECIATES WORK ON THE HOME FRONT

"I want to thank all the swell people of our town for the way they are buying war bonds and stamps. Even one bond helps more than most people realize." These are the words of an Antioch boy now serving with

(continued on page 5)

TIME TO DO SOME WEEDING

Leaflets on Canning Victory Garden Crops Offered at Library

Free aids for Victory gardeners and farmers' wives who plan to preserve fruits and vegetables may be obtained in leaflets at the Antioch township library, Dr. R. D. Williams, Victory Garden chairman, announced today.

The leaflets were prepared by the University of Illinois College of Agriculture and are published and distributed by the Illinois State Council of Defense.

Valuable information as to best canning and preserving methods are contained in five leaflets, titled:

Home Preparation of Fruits and Vegetables for Freezer Storage.

Preserving Vegetables by Salting.

Canning Vegetables in Steam Pressure Cooker.

Winter Vegetable Storage.

Canning Fruits, Tomatoes and Pickled Beets in Hot-water Bath.

LUMBERMEN PLAN ANNUAL TOURNEY

**Ed. F. Vos, Chairman for
32nd Semi-annual Golf-
ing Event**

Demand for the holding of the annual golf tournament for building material, lumber and coal dealers this week prompted the committee to proceed with plans for the 32nd meeting to be held at the Chain O' Lakes Country club on Thursday, July 15.

Due to war time restrictions the group passed up the fall tournament last year. Later it was decided to hold the event but once a year instead of semi-annually.

It is believed by the lumbermen and material dealers that the interchange of ideas and information has proved to be beneficial in the past, and for that reason they were reluctant to abandon the meetings altogether.

Many men prominent in the building industry in the central states area are serving on the committee which for several years has been headed by Ed. F. Vos, president of the Antioch Lumber and Coal company. Committee members include the following men:

Rush E. Hussey, of the Hussey Lumber company, Lake Villa;

Dan S. Boyer, sales representative Johns-Manville company, Waukegan;

Tom Meade, representative the Rubberoid company, Chicago;

V. B. McKeon, U. S. Gypsum company, Chicago;

Sid Sennott, owner Building Supply company, Chicago;

C. E. Pennington, wholesale coal dealer, Chicago;

Hank Brailsford, wholesale lumber dealer, Chicago;

W. E. Brandt, President LaFayette Coal company, Chicago;

Les Wallace, sales representative Morgan Millwork Co.;

Kyle Davis, vice president Getz Coal Co.;

F. W. J. Sextro, representative Carter Coal Co., Chicago and New York.

Mr. and Mrs. Walter Solomon and son, Ralph, are spending their vacation with Mr. Solomon's parents, Mr. and Mrs. F. P. Solomon, at their home in Toronto, Canada, this month.

Red Cross Blood Donor Unit Comes to Antioch July 23

**Legion Seeks 400 Volunteers
for Blood Bank to
Save Wounded**

The American Red Cross Blood Donor Service has arranged to send a mobile unit to Antioch on July 23 to take blood donations.

The announcement was made here Monday following a meeting of Red Cross representatives of the Chicago unit and directors of the Lake County Red Cross organization. The mobile unit's appearance here will enable residents of this locality to give their blood without leaving their home community to donate at stationary centers.

The blood donor mobile unit, with its complement of some 25 doctors and nurses, seldom visits a town of less than 4,000 population. The coming of the unit to Antioch was arranged after more than a year of effort on the part of the local Red Cross to serve as a convenience to residents of Antioch, Lake Villa and Fox Lake who want to give their blood but have never had the opportunity due to working hours and transportation difficulties. Captain Herman Holbek of the Antioch Rescue Squad, who is a director of the County Red Cross, with the help of other citizens here eventually convinced the Red Cross of the feasibility of the plan of bringing the unit to this locality.

Sponsored by Antioch Legion

The huge task of securing blood donor pledges from 400 persons here was turned over to the Antioch American Legion Post, with Past Commander Roman Vos as chairman. While the mobile unit can handle only about 150 donors during a working day, it will be necessary to have at least 400 volunteers, as rejections for physical reasons and the fact that some may fail to come, will reduce the volunteers to about the number the unit can handle.

(For details of time and place see full page announcement on page 7.)

Registration blanks, which must be turned in by July 9, may be obtained at the following places: King's Drug Store, Reeves Drug Store, State Bank of Antioch, First National Bank of Antioch and The Antioch News; in Lake Villa at Hooper's Drug Store, and in Fox Lake from Mrs. A. J. Amundsen, committee chairman.

As our armed forces increase in size and are dispersed throughout the world in this global war, quotas—set by the army and navy—are constantly increased. The figure at present stands at 4,000,000 pints of blood to be delivered to the armed forces by the end of 1943. This stupendous task and responsibility has been assigned to the American Red Cross.

Your Blood May Save A Life.

It is apparent that the giving of a pint of blood is probably one of the greatest contributions a civilian can make to the war effort. For most of us it represents the ONLY way in which we can participate directly in saving a life. Bear in mind that plasma has reduced the percentage of wounded who died in World War I from seven per cent to ONE per cent in this war.

Prospective blood donors must be in good physical condition. Their age must be between 18 and 59 inclusive, and they must weigh at least 110 pounds. It is required that minors between the ages of 18 and 21 present the written consent of parent or guardian, even upon repeat donations. No one who has contributed before is permitted to repeat unless a minimum of 10 weeks has elapsed since the date of the last donation.

Bert Roberts, 78, Observes Birthday

H. S. (Bert) Roberts, familiar figure around the Lakes region for more than half a century, Monday night celebrated his 78th birthday with a Lake Marie fish dinner served at the Roberts' Shady Nook home.

Out of town guests were the Haviland family of Chicago and the Simpson family of Libertyville.

Bert first visited Antioch and the lakes here more than 50 years ago when he was driven to Iko Smith's hotel on Channel lake by the late Bert Grice. Mr. Roberts has been in business here for 35 years, first operating a taxi service and then as proprietor of the Merry Glen hotel, Lake Marie, where he still puts in a full day's work every day, working this summer without any help.

MONDAY IS LAST DAY TO REGISTER FOR CANNING SUGAR HERE

**Local Office to Close—Later
Applicants Must Go to
Ration Board**

Housewives of Antioch community who expect to do canning this summer and fall, Monday will have their last opportunity to make application for canning sugar allotments in Antioch at the Grade School between the hours of 10 a. m. and 4 p. m., Supervisor William A. Rosing announced today. After Monday, June 28, applicants for canning sugar will have to apply at the ration board headquarters at Lake Villa, Rosing said.

The supervisor has maintained the local office at the grade school, which has been open on Mondays since May, for the convenience of residents here, but few have availed themselves of the opportunity.

Sugar for canning is being allotted on about the same basis as last year—that is, one pound for each four quarts or eight pounds of the finished product. A top limit of 25 pounds per person is set in the new regulations to be granted only in a relatively few cases where a large amount of fruit will be canned and preserved. Within the 25-pound per person limit, any family can apply for sugar to put up jams, jellies and preserves at the rate of five pounds per individual. This is a more generous allowance than last year, when sugar for preserves was limited to one pound per person.

Murrie Appointed Third Member of Review Board

William L. Murrie of Russell in Newport township has been named the third member of the 1943 Lake county board of review. The appointment was made last week by County Judge Perry L. Persons. Murrie will serve for a two-year term, succeeding Mrs. I. Simons of Highland Park.

Other members of the board are Chairman Joseph P. Walsh of the county board of supervisors, who is ex-officio chairman of the review board, and John E. Hayes, Sr., of North Chicago.

Grande Cleaners Serves Many Antioch Patrons

Grande Cleaners who opened their cash and carry dry cleaning store at 915 Main st., Antioch last Saturday, have been doing a thriving business here, according to M. L. Behm, owner. Their business is confined to cleaning and they do not do laundry work, as was stated in the News last Thursday.

The Antioch office was established for the convenience of Antioch patrons whom the company has served from the Libertyville plant for the last 15 years.

The local manager is Mrs. Mary Hook, and the telephone number is Antioch 460.

Back the attack by upping your payroll savings your very next payday. Measure your savings by your new higher income.

A Wartime Plague

Into the picture of America at war, on the battle-front, in the factory, and on the home front, has crept a new practice, the very name of which has been foreign to our vocabulary.

Blackmarkets are a disgraceful adjunct to America's wartime economy. The buying and selling of foodstuffs and other rationed goods for higher than ceiling prices, and the securing of these products through illegal means, all are part of this vicious game.

Every storekeeper who sells his goods without demanding ration points, who sells "special" things which he could not himself buy through regular channels, is patronizing the blackmarket, and putting the customer who buys from him in the same class.

It is the duty of every patriotic American with friends and relatives at the front, to stamp out blackmarkets by refusing to patronize them directly or indirectly. Blackmarkets are the manifestations of individual selfishness, and refusal to make necessary sacrifices.

If the armed forces can do without comforts, if industry can work night and day, the rest of us can do with a little less now, so everyone will have more later.

Wanted—Freedom to Make Jobs

Calling attention to the concern of our fighting men for the conditions that will confront them when they return from the wars, a prominent industrialist recently made this statement:

"It is already obvious," he said, "that when peace

comes the nation will have more trained workers than ever before. This will not necessarily mean that the homecoming soldiers will oust millions of willing workers. If industry is permitted to grow and expand the American way, and to attempt to make and to distribute and sell all the things that the people will want, there will be work not only for the people who are presently employed but also for the men who will be coming back."

Politics and Taxes

The American people are familiar with the Roosevelt Administration's talent for spending and waste.

Now, out of the pay-as-you-go tax fight, we have learned more about the same Administration's lack of talent for constructive action. The New York Times, at the height of the tax issue, said it had become a question "whether or not our government is functioning responsibly."

And Senator Walsh, veteran Democrat, warned his party colleagues that failure to legislate would be "a confession of our incapacity to govern."

Biting as deeply, however, as "incapacity to govern," the blocking by the New Deal and President Roosevelt personally of the pay-as-you-go tax plan again showed a willingness to play politics with serious war business. The shadow of the 1944 elections and the Fourth Term ambitions again fell over Washington.

The pay-as-you-go program, growing out of the Ruml plan, was a Republican measure. It was designed to take our millions of taxpayers out of debt to the government without lessening the revenues of the Treasury. Thousands of letters poured into the Capital urging its enactment. Newspaper opinion was approving.

But it was not a New Deal measure.

So the New Deal, still with no real tax plan of its own, fought and fought and finally called upon the President himself to use the prestige of the White House to defeat the will of the people.

Thus does the mantle of the "indispensable man" turn to shreds. Thus does "The Times" wonder if government is "functioning responsibly."

WILMOT

Three birthday anniversaries and Father's day were celebrated by the John Sutcliffe family on Sunday at a dinner given at the family home. Mr. and Mrs. John Sutcliffe, Jr., and family of Kenosha, Miss Georgia Dayton and friend, Nancy, from DeKalb, Ill., Mrs. Kenneth McEwen and her father, John Sutcliffe, Sr., of Forest Park, Ill., and Mrs. Charles Sutcliffe of Berwyn all attended the anniversary dinner.

The birthday anniversary of little Robert Tilton was celebrated along with Father's day at a family dinner given at their home in Burlington. The grandmother, Mrs. Viola Sherman, accompanied the paternal grandparents, Mr. and Mrs. Clem Tilton, Sr., of Richmond, and George Hyde and Mr. and Mrs. Ray Bufton helped to celebrate the occasion.

Mrs. Floyd Memler and son attended the marriage ceremony of her cousin, Miss Mildred Murdock, to Dr. Norman Becker of Cleveland, Ohio. The wedding was held in the Bristol church at five o'clock Saturday evening.

Mr. and Mrs. Frank Kruckman spent the day Sunday at Crystal Lake and visited at the homes of Mr. and Mrs. Earl Hyde and Mr. and Mrs. L. H. Cole.

E. E. Stone and son, Leslie, of Woodstock called on their cousin, George Hyde, Sunday evening.

Mrs. Paul Voss and son, Darwin, were Sunday visitors at the home of Williams Elfers in Richmond.

Mr. and Mrs. W. Cole entertained at a dinner Sunday for Mr. and Mrs. Ernest Sterner and baby and Mr. and Mrs. A. C. Reynolds of Beloit.

Raymond Stoen, Sr., who is employed at Harvey, Ill., spent Sunday with his family in Wilmot.

Mr. and Mrs. Webster Blackman and daughter, Joan, have left the John Blackman, Sr., farm and have moved to Chicago.

Mr. and Mrs. John Blackman entertained during the week-end and on Sunday for the following: Maj. R. H. Sykes of Springfield, Ill., Mr. and Mrs. Russell Soddy and son, James, Mr. and Mrs. Paul Miller and Miss Genevieve Madison of Kenosha, Mr. and Mrs. J. Johnson and Mr. and Mrs. A. Congonka of Chicago.

Mr. and Mrs. Paul Ganzlin accompanied by Mrs. Russell Schmadfeldt and Paul Schmadfeldt of Kansasville motored to Madison Sunday to visit Doris Ganzlin at the Madison General hospital.

Mr. and Mrs. Edward Bouden from Edison Park, Ill., visited Mr. and Mrs. Paul Ganzlin at their home on Saturday evening.

Mrs. Elmer Stenzel and sons spent the day Sunday with Mr. and Mrs. Nick Fassl at Salem.

S. C. Lawrence Bauman from Great Lakes Naval Training Station spent the week-end at the home of Mr. and Mrs. George Higgins.

Donald Johnson and Henry Johnson of Chicago who are completing their training in the U. S. Signal Corps, spent the week-end with Donald's mother, Mrs. J. Johnson.

Mrs. Edith Faulkner spent the day Sunday at the home of Mr. and Mrs. Walter Harrison at Ringwood. On Thursday, Mrs. Faulkner visited at the home of Mr. and Mrs. Sidney Bruch in Elmhurst.

Rev. and Mrs. R. P. Otto and children spent Sunday afternoon and evening in Wauwatosa at the home of the Rev. and Mrs. C. A. Otto.

On Sunday, June 27, Holy Communion will be celebrated in two services, English and German. The German service begins at 10:00 A. M., the English at 7:45 p. m. There will be no English worship in the morning.

Miss Jayne Pastell of Winthrop Harbor, Ill., is spending this week at

GEARED FOR VICTORY

Los Angeles Examiner

U. S. Treasury

SALEM

Mrs. Arthur Hartnell, Mrs. Arthur Bloss accompanied Mrs. Paul Vengasky of Paddock Lake to Burlington Wednesday afternoon to attend the Garden club.

Mrs. A. C. Stoen has returned to her home here after spending the past few weeks with her daughter, Mrs. G. C. Dorwin at Wauconda, Ill.

Mrs. Frank Schmidt and Mrs. Henry Frautsky and son, Henry, spent Thursday with Mr. and Mrs. Walter Schmidt of Genoa City.

Mrs. Alfred Schmidt spent Thursday in Kenosha.

Mr. and Mrs. E. H. Hartnell and daughter, June, spent Monday at Madison.

Mr. and Mrs. Kaddatz, Mrs. Ervin Kaddatz and daughter, Sandra, and Mrs. Marvin Kaddatz called on Alfred Schmidt Thursday.

A number from here attended the funeral of Mrs. Helen McVivar Saturday afternoon.

Mrs. Fred Stephens and daughter, Grace, and Miss Olive Hope attended the "Dorothy Ann Dance Revue" Friday evening.

Miss Florence Bloss spent the week-end with her parents, Mr. and Mrs. Arthur Bloss.

Mr. and Mrs. William Krahn and Mr. and Mrs. William Machen of Burlington visited Mr. and Mrs. William Krahn, Sr., Sunday.

Mr. and Mrs. Lauren Karnes of Milwaukee spent the week-end with Mr. and Mrs. Harry Krahn.

Mr. and Mrs. Walter Irving and son of Kenosha spent Sunday with Mrs. Jepson.

Mr. and Mrs. Alfred Schmidt and sons, Mr. and Mrs. R. Hackbart attended the wedding of Miss Doris Kirehner, at the Lutheran church at Bristol Sunday afternoon.

Mr. and Mrs. Byron Patrick spent Sunday afternoon with Mrs. Gertrude Davis and family of Bassetts.

Butane in Natural Gas

More than 100,000 barrels a day of normal butane, for use in synthetic rubber making, is available from natural gas.

LAKE VILLA

Elmer D. Bray of Buena Park subdivision is a patient at St. Therese hospital. His daughter, Mrs. Virginia Whitcomb, of New Orleans, came last week to spend a few weeks with her parents.

Mrs. Cecile Blumenschein went to Merrillan, Wis., last Thursday to help care for an aunt who is very ill. Mr. Blumenschein came home the first of the week from the hospital and is doing very well.

Mrs. Lorraine Ellis left Friday for Boston to join her husband who is training for the Navy there. Her mother, Mrs. Hooper, is caring for her small son during his mother's absence.

Mrs. Ruth Snelling, nee Gottschalk, who has lived in Florida for the past three years, and has been teaching there, is a guest of her friend, Mrs. Frank Richards for a while. She will attend summer school in Chicago during her stay.

Mr. and Mrs. George Pollard, George, Jr., and Marilyn left Saturday evening to spend a week with friends at Tomahawk, Wis.

Mrs. Fred Hamlin entertained her Sewing club at a 12:30 luncheon at her home on Tuesday and Mrs. Perry of Antioch was a pleasant visitor.

The Rev. John De Vries, the new pastor assigned to Lake Villa Community church, will be present to conduct the morning worship service next Sunday, so come out and encourage him by your presence.

The Woman's Society of Christian Service will sponsor a home bakery sale at the Peterson store on Saturday morning, July 3. If you care to give an order for that day, call Mrs. Helen Fish, 3237. Mrs. Lottie Barnstable and Mrs. Neil Reidell will assist on the committee.

The Red Cross work room on Cedar avenue will not be open on Mondays or Fridays as it has been, but will be open Thursday from 9 a. m. to 4 p. m. and on Tuesday evenings from 7 to 9. The work is much needed and it is hoped that many more may be able to come some-time during Thursday or on Tuesday evenings. These dressings are needed by our boys.

The W. S. C. S. has set Thursday, July 29, as the date for the annual summer sale of rugs, aprons, fancy-work and quilts at the Village hall, so please mark your calendar for that date and plan to attend.

Mrs. Carl Seeger spent a few days last week for observation and treatment at Victory Memorial hospital and is improving. Her daughter, Mrs. Alice Slater, and son from California came Sunday to spend a few weeks with her parents.

HOT WEATHER TIP . . . TO WARTIME DRIVERS!

"TUNE" IN JUNE!

ALL CARS NEED SPECIAL ADJUSTMENTS FOR HOT WEATHER

TUNE in June is good advice at any time. But in wartime, it's almost a "must," if you want your car to last until you can get a new one. Have this important service done by mechanics who understand all the adjustments that should be made in summer. Have it done by our Oldsmobile mechanics, who are factory-trained and equipped to perform every service that may be necessary, on all makes of cars.

Drive in this week. Let us give your car a tune-up that covers all possible causes of over-heating trouble. Let us clean the cooling system, flush the radiator, check the operation of the thermostat, and install the correct summer-grade lubricants. Let us make sure your brakes aren't dragging and that your wheels are properly aligned. It's the safe thing to do, it's the saving thing to do, now!

- HERE'S WHAT OLDSMOBILE ENGINEERS RECOMMEND:**
1. CHANGE OIL
 2. INSPECT THERMOSTAT
 3. FLUSH RADIATOR
 4. TUNE ENGINE
 5. LUBRICATE
 6. WASH AND POLISH

June is a good month to buy War Bonds, too—like every month of the year!

Lesson for June 27

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

JOHN'S COUNSEL TO CHRISTIANS

LESSON TEXT—II John 4-11; III John 8-12.
GOLDEN TEXT—Beloved, I pray that in all things thou mayest prosper and be in health, even as thy soul prospereth.—III John 2.

Christians need guidance, especially in their home and church relationships. The apostle John, under the inspiration of the Holy Spirit, wrote the two personal letters known to us as II and III John. They abound in sound spiritual, practical advice. Note that these two words belong together, for what is truly spiritual cannot help but be tremendously practical and perfect for the direction of thought and life.

In these letters five admirable lessons are taught. Let us give heed to them. They are appropriate to our day.

I. Set an Example Before Your Children (II John 4-6).

We may not like to admit it, but our children are largely what we make them by their training—or lack of it—in the home. Parents have the grave and at the same time precious responsibility of being what they want their children to be. We set the mold of their thinking and acting, not only about material things, but mentally and spiritually, which is far more important.

Above all we must teach them by precept and example to love God supremely, and to walk after His commandments. Father, mother, have you done your duty? Are your children "walking in truth" (v. 4)?

II. Be on Guard Against False Teachers (II John 7-11).

We are not to countenance false teaching even by entertaining such teachers, or having close fellowship with them. To create the impression before the world and the Church that they are "not so bad," by appearing as their friends, is to partake of their evil works (v. 11). This is a serious matter, and one which is a problem in the Church today.

Such teachers may easily be recognized. They are aptly described by Dr. Douglass: "In all ages the Church has been plagued by those who want to substitute something for pure Christian faith, or to embroider it with bright ideas of their own conceiving. Such people may try to strip religion of its supernatural aspect and reduce it to a merely rationalistic system. They may seek to slyly loosen the moral standards of the Church because their own lives are deficient when measured by such standards. They may try to minimize the teaching of the cross because it stands for sacrifice." Watch against them, and stand against their destructive teaching.

III. Be Diligent in Putting Forward True Teachers (III John 5-8).

The door which should be closed against false teachers should be opened wide to those who are faithful teachers of the truth.

This refers primarily to the hospitality of the home, and reminds us of a grace which has been all but forgotten in these days of small apartments.

Whether we are able to open our homes to God's servants or not, we can show a Christian spirit of genuine hospitality in helping to bring them forward (v. 6) in their work. This may be done by gifts of money, by kindness shown in time of need, by a real interest in their work, by recommending them to others who wish to hear the truth.

Do everything possible, then, to hinder the false teacher, and be just as diligent to put forward the ministry of the true man of God.

IV. Do Not Trust Proud, Self-Seeking Leadership (III John 9-11).

A man may be orthodox, and intensely loyal to the denomination, and at the same time be a wicked man whose example is to be shunned. No word is said against the teaching of Diotrephes. He was not condemned for being careless about the affairs of the church, or unfaithful in his attendance and devotion to its interest as he saw them.

The sin of Diotrephes was pride, a desire to be the boss of the church, "No. 1 man" in its affairs. Lacking the true spirituality which always results in humility, he opposed the apostle. Not only did he refuse to receive him, but used pressure on others who were willing to be hospitable.

V. Emulate the Life of the Man of Good Report (III John 12).

A good man! No words of praise could possibly surpass such testimony. The world is full of brilliant, skilled, wealthy and prominent people, but there is an appalling dearth of good men and women.

How refreshing to meet, and how delightful to know, such a man—such a woman. Like Demetrius, they have not only the witness of the Church, and of the truth, but also of "all men." But last week we said the world hates real Christians. It does, but it also respects them, and is forced to bear witness to their reality and goodness.

Professed fellowship with God in Christ which does not result in goodness of life may well be scrutinized.

TREVOR

Mr. and Mrs. M. Johnson with friends from Arlington Heights were Saturday visitors of Mrs. Johnson's parents, Mr. and Mrs. A. J. Baethke. On Sunday their son and wife, Mr. and Mrs. Walter Baethke and daughter, Mrs. Irving Walsh of Antioch called.

Mr. and Mrs. Richard Mason, Milwaukee, visited the latter's parents, Mr. and Mrs. Daniel Longman, the past week.

Mr. and Mrs. Fred Schonscheck and two sons, of Kenosha, and Mr. and Mrs. William Gallart of Salem were Sunday afternoon visitors of Mr. and Mrs. Lee Wilson.

Sunday visitors of Mr. and Mrs. Charles Oetting were Mr. and Mrs. Arthur May and daughter, Virginia, of Madison, Fritz Oetting, Richmond, Mr. and Mrs. Irving Elms, Tntioch, Karl Oetting, Paddocks Lake. Their son, Cpl. Louis L. Oetting, arrived home Sunday on a ten day furlough from Camp Stewart, Georgia.

Mr. and Mrs. Fullen, Chicago, spent over the week-end at their summer home at Valmar.

Mr. and Mrs. Joe Selear and daughter, Katherine, attended the wedding Saturday at St. Alphonso church, Racine, of their son, Cpl. Peter M. Selear, Camp Gruber, Okla., to Miss Angeline Zurawski of Racine. A reception was held at the bride's home in Racine in the evening.

Mr. and Mrs. McCall and June Crandell, Chicago, were week-end visitors of the former's sister and husband, Mr. and Mrs. Fred Nolte. Mr. and Mrs. W. Kenny, Chicago, were recent visitors at the Nolte home.

Mr. and Mrs. Herman Hellman, Mrs. Ida Dexter, Wilmette, Mr. and Mrs. Henry Hellman, Chicago, spent the week-end at the Dexter home.

Mr. and Mrs. Peter Selear and Mr. and Mrs. Nick Selear of Milwaukee were Sunday visitors of Mr. and Mrs. Joe Selear, Jr.

Dr. Chester DeWitt, Silver Lake, made a professional call in Trevor Monday.

Mr. and Mrs. Harry Harrison, Chicago, spent Monday at their home in Trevor.

Earl Vyvyan, Union Grove, was a Trevor caller Monday.

Mr. and Mrs. William Hanneman, Burlington, were Sunday afternoon visitors of the former's sister and husband, Mr. and Mrs. Joseph Smith.

Mr. and Mrs. Henry Ernie and daughter, Ilene, Chicago, spent the week-end at their cottage in Trevor.

Mrs. Warren Winn and children, Kenosha, were Sunday callers at the Lee Barhyte home.

Henry Prange, son, Charles, and daughter, Carol, visited her mother, Mrs. Harry Kerkman, and grandmother at Brighton Sunday.

Mr. and Mrs. Arthur Bushing and sons, Freddie and Arthur, Jr., were Sunday visitors at McHenry. In the evening Nick Nickelson of Kenosha called at the Bushing home.

Mr. and Mrs. Wilkerson accompanied Mr. and Mrs. Ed Mutz to Rockford Sunday, where they attended the horse show.

Mr. and Mrs. Edward Hirschmiller, Kenosha, were Sunday visitors of his mother, Mrs. Mary Hirschmiller.

Mrs. Harry Dexter and Mrs. George Dunford, Salem, and Eleanor Forster spent Saturday morning in Kenosha.

Mr. and Mrs. Champ Parham spent Wednesday in Chicago.

Mrs. Schwery and daughter, Mrs. Floyd Lubeno and son were Sunday visitors Tuesday at Highland Park.

Mr. and Mrs. Gus Lubkeman and Henry Meyer near Bristol, were Wednesday evening callers of Mr. and Mrs. Charles Oetting.

George Schmidt and sons and mother, Mrs. Mabel Schmidt, Silver Lake, were Tuesday evening visitors at the Champ Parham home.

Mrs. Arthur Baethke and son,

HICKORY

Miss Caryl Tillotson of Rochelle, Ill., is home for a week's vacation.

Mr. and Mrs. Morris Noething and sons, Wayne and Roger, of Mundelein called at the Wilbur Hunter home Tuesday. Wayne was home on a furlough.

Mr. and Mrs. Harold Pullen and family of Lake Villa spent Sunday evening at the Warren Edwards home.

Miss Josie Mann of Waukegan is spending the summer with her sister, Mrs. A. T. Savage.

Mr. and Mrs. Day Pullen and daughter, Thelma, and Mr. and Mrs. Ed. Gillings of Zion were Sunday dinner guests at the Curtis Wells home.

Mrs. Caroline Marble and Earle Crawford were Sunday dinner guests at the Clarence Crawford home in Waukegan.

Mr. and Mrs. Ward Edwards and son, Richard, of Joliet are spending a week's vacation at the Bert Edwards home.

Mr. and Mrs. Hart Webb of Kenosha visited the A. T. Savage home Sunday afternoon.

Mr. and Mrs. James Dorsey of Lake Villa and Mr. and Mrs. Leo Fitzgerald and children of Libertyville spent Sunday at the Chris Poulsen home.

Mr. and Mrs. William Richards spent Friday evening at the Carney home.

Allen Latham and Dean Weber of Great Lakes are home on a two weeks' furlough.

Jerry Hunter rode his bicycle to Mundelein early Sunday morning and visited a few days with his friend, Roger Noething.

Mr. and Mrs. Roy Heydecker of Waukegan visited the Crawford home Saturday evening.

Mrs. Gordon Wells and her sister, Mrs. Leslie Cannon of Gurnee, Mrs. George Panzer of Lake Villa, and Mrs. Robert Panzer of Antioch drove to Evanston Saturday afternoon and attended the wedding of Miss Arlene Panzer, daughter of Albert Panzer of Libertyville, to William Lowden of Chicago, a Government worker. The services were held in the chapel of the Northwestern University at 4:30. Miss Panzer is a niece of Mrs. Wells.

Edgar Baethke, Maywood, Ill., visited at the A. J. Baethke home Thursday.

Mrs. Alfred Dahl spent Thursday with relatives and friends in Racine.

Mrs. Allen Copper, daughter, Frances, and Mrs. Charles Oetting were Antioch visitors Wednesday.

MILLBURN

Dean Weber, 2nd class seaman, of Camp Farragut, Idaho, is spending his furlough with his parents, Mr. and Mrs. C. P. Weber.

Mrs. Kenneth Denman and Miss Margaret Denman are spending a week in Detroit, Mich., with the former's sister and husband, Mr. and Mrs. William Ferry.

Mr. and Mrs. Kenneth Crowley of Libertyville and Mr. and Mrs. John Edwards of Waukegan spent Saturday evening at the Frank Edwards home.

The Rev. and Mrs. L. H. Messersmith, Mrs. O. L. Hollenbeck, Mrs. Ida Truax, Mrs. Victor Strang, Katherine and Ruth Minto represented Millburn church at the annual June meeting of Lake County Congrega-

tional churches held at the Mundelein church last Tuesday.

Mrs. Roy Bonner and baby son returned home from Victory Memorial hospital Tuesday evening.

Major Harlan Fairchild and wife and two daughters of Champaign spent the week-end with Mrs. Fairchild's brother and wife, Mr. and Mrs. Victor Strang.

Miss Ruth Minto left Saturday for Madison for a six weeks course at the University of Wisconsin.

Delmar and Eugene Lohmeyer of West Lebanon, Ind., were guests at the home of their aunt, Mrs. Harley Clark, the past week.

The Millburn Maidens 4-H club met Wednesday afternoon at the home of Georgia Stevens. The major lesson was the preparation of milk drinks given by Georgia. There were first

aid talks and demonstrations given by Colleen Fairman, Joan Hughes and Louise McCann. Chloe Diedrich gave a demonstration on the care of nails. The next meeting will be held at the home of Joan Hughes on Wednesday, June 30. The lesson is to be on the preparation of cream soups.

Mr. and Mrs. Henry Diedrich, Mr. and Mrs. Elmer Hansen and Mrs. Anna Daum of DeKalb spent Sunday afternoon at the Leslie Diedrich home.

Frank Hauser returned home from St. Therese hospital Tuesday.

Millburn chapter O. E. S. held initiation Saturday evening for three new members, Mrs. Ernest Champeny of Gurnee, Mrs. Fred Kirschmeyer of Waukegan and Miss Billie Herrick, all daughters of Mr. and Mrs. Harry Herrick.

WEEKLY NEWS ANALYSIS

Mediterranean Victories Prepare Way For New Allied Campaign Against Axis; Essential Production to Be Increased By Simplification of Consumer Items

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)
Released by Western Newspaper Union.

Under the watchful eyes of U. S. guards, Axis prisoners march in internment camp in Camp Atterbury, Ind. Since fighting in North Africa, many of these camps have sprung up throughout the country, the average concentration holding 2,000 prisoners and 500 American troops. Prisoners of war are treated under rules of an international convention.

MEDITERRANEAN: Eyes Turn to Sicily

With Allied shipping reported massed in the Sicilian straits, all Italy awaited invasion.

Preparatory to the expected blow at the "underbelly of Europe," Allied airmen ranged over the Italian islands of Sardinia and Sicily, the Axis' remaining bastions in the Mediterranean following the fall of Pantelleria, Lampedusa, Lampione and Linosa.

Airfields at Catania and Gerbini in Sicily were attacked. At Catania, enemy fighters rose in force to challenge the Allied assault.

Although Allied headquarters remained silent on their military movements in the Mediterranean, the Nazis reported that their airmen were engaging in running fights with large convoys off North Africa. The Axis also stated that the Allies had massed invasion barges at Bizerte.

Meanwhile, the Allies kept the Axis guessing about their next move. Strong aerial formations attacked Axis shipping in the Aegean sea, where the Nazis have fortified the islands leading to the Grecian mainland.

SIMPLIFY GOODS: From Cradle to Grave

In an effort to increase production of necessary essentials, the government has ordered the simplification of more than 1,000 manufactured items. Elimination of frills and variety of sizes is expected to result in enough conservation of material to add to production.

The simplification order will affect Americans from the cradle-to-the-grave. Metal will be restricted in baby's cribs, and the length, width and depth of cribs will be limited. Cast iron kitchen utensils will be confined to 12 items, and 40 styles of enamelware have been eliminated.

Wood furniture will be reduced to 24 basic patterns. Whereas 1,150 types of tools formerly were made, only 357 now will be permitted. Production of electric bulbs will be cut from 3,500 types to 1,700. Feminine apparel will be simplified along with children's sportswear and rayon dresses.

AIR OFFENSIVE: Cities in Flames

Bremen's big Atlas shipyards were rocked by a dozen bomb hits as American airmen continued their joint attacks with the RAF over German industrial centers. Results of the U. S. raid on the submarine base of Kiel were unobserved, as swarms of Nazi fighter planes arose to the defense.

While the Americans hammered the Atlas works, strong British units, bolstered by huge four-engined bombers, ripped Duesseldorf and Bochum in the Ruhr.

Blockbusters caused heavy damage in both cities, sweeping fires adding to the havoc. Mass evacuations were reported, and the German radio asked people in other districts to make room for the refugees.

Size of the raiding fleets can be gleaned from the Nazi claim of having shot down 46 planes, 29 of which were supposed to be the four-engined machines. German aerial activity meanwhile was limited to a short, sharp sally over a London suburb, where bombs were dropped.

FOREIGN AFFAIRS: World Cooperation

American participation in the establishment and maintenance of post-war peace was unanimously recommended by the house foreign affairs committee.

In a simple, 35-word resolution which it recommended to the house and senate for approval, the committee declared: "Congress hereby express itself as favoring the creation of appropriate international machinery with power adequate to establish and to maintain a just and lasting peace, and as favoring participation by the United States therein."

Introduced by Representative J. W. Fulbright (Ark.), the resolution was passed after being stripped of the phrase calling for the organization of an international body to prevent future aggression, and to maintain law, order and lasting peace. Since this section touched on the highly controversial subject of an international police force, it was eliminated.

FOOD CZAR: Wanted by Congress

Shortly after a bi-partisan group of legislators conferred with President Roosevelt and suggested that he appoint a single czar to handle the food situation, the War Food administration prepared issuance of a report dealing with unfavorable crop and meat prospects.

Led by Senator Walter George, the five senators and four representatives urged that a single authority be delegated to co-ordinate production, distribution, preservation, rationing and pricing agricultural commodities.

It was reported the President suggested an appropriation from 1 1/2 to 2 billion dollars for subsidies to be used in "rolling back" the prices of foods. Many legislators oppose the subsidies, contending the money used only will have to be repaid in taxes.

In commenting on crop prospects, the War Food administration declared floods in the Midwest and dry weather over the great plains have caused considerable damage. Meat slaughter and dairy production have failed to approach expectations.

DRAFT: Fathers Due for Call

"Fathers will be placed in uniform at least by the last quarter of this year."

With this statement the War Manpower commission, headed by Paul V. McNutt, announced the Selective Service board's new draft policy in informing employers to prepare for replacement of married men with children in industry after October 1.

In addressing 3,500 employers who have filed replacement lists with state draft directors, the WMC said that after July 1 the employers also should plan to release the childless married men within six months.

Although the WMC's remarks were directed to the 5,500 employers, it indicated that its new policy would be broadly applied throughout all industry. Speaking before a house appropriations subcommittee, Draft Director Hershey said 10,000,000 men will be in uniform by December 31. During the first six months of 1944, 115,000 men will be inducted monthly, Hershey declared.

RUSSIA:

Action in the Center

Official announcements pertaining to the Russian front continued to be as confusing as the fighting.

While the Reds claimed to have thrown back German counterattacks in the Orel region in the center of the line, the Nazis reported the continuation of the strong Russian offensive in the Caucasus.

In neither sector, however, did either side claim any major advance. In relation to renewed Russian activity in the center, the Nazis said the Reds were massing huge forces there, apparently to press the initial attacks of a week ago when big holes were punched in the German line.

Bolstered by the addition of American planes arriving under lend-lease, Russian airmen continued sweeping attacks over the German rear. Military installations and transport were bombed.

OIL:

'Situation Worse'

"We are rapidly passing from an exporting to an importing nation in oil."

With these words Petroleum Administrator Harold Ickes forecast an increasing shortage of crude oil. Such a shortage, Ickes said, would not develop because of a lack of natural resources but rather because of a scarcity of labor, transportation and other factors.

While stating that imports of oil would have to be increased from Venezuela, the Caribbean and Mexico, he declared that California will not be producing sufficient crude by the end of the year to take care of the Pacific war theater and her own needs.

Ickes also blasted the Office of Price Administration for its handling of the gasoline rationing, declaring the OPA was too lenient in its allotments. He said home owners could expect fuel oil rationing next winter.

CORN:

Plan Call on Loans

Aiming at loosening the tight situation in corn for processors

feeders, it was reported Commodity Credit corporation planned to call its loans on 57 million bushels of 1942 corn.

Under the proposal, farmers would be allowed 30 days to liquidate their loans. The call would not interfere with the agency's previous move to redeem 35 million bushels of corn on the 1938-'41 crops, effective July 1.

Decision to call the 1942 loans was reported reached after the War Food administration, headed by Chester Davis, turned down proposals for requisitioning the corn. The WFA said requisitioning only would increase farmers and leave the government with the problem of shelling, grading and hauling the corn off the premises.

MEAT PRICES:

Down 10%

Answering to President Roosevelt's "hold-the-line" order, retail prices of meat have been "rolled back" 10 per cent, a move that will save housewives an average of three cents per pound.

The "roll-back" will be accomplished by government payment of subsidies to meat slaughterers to cover their costs of livestock.

Although the action will reduce meat prices, consumers will be compelled to eat even less beef. The War Food administration announced that federally inspected slaughterers had been ordered to reserve 45 per cent of their steer and heifer production for the army.

Flat price ceilings on meat have been drawn by the OPA for four classes of stores, starting with the small independent doing less than \$50,000 worth of business a year, and ending with the large operator with an annual volume over \$250,000.

NAZI SPY:

Intrigue in Hawaii

In November, 1941, Bernard Julius Otto Kuehn offered his services as a spy to the Japanese vice-consul at Honolulu. In a confession to the FBI, he said he volunteered to supply the enemy with information about the national defense of the U. S.

Shortly after, Kuehn worked out a system of signals to transmit intelligence of American fleet positions

to the Japs. According to testimony, the signals were developed through a window light in the dormer of Kuehn's home near Pearl Harbor.

Mrs. Kuehn played a prominent role in the intrigue, according to the FBI. In 1939, her daughter operated a beauty parlor designed to attract "navy business," and in 1940 Mrs. Kuehn visited Japan, returning with geographical literature describing American and British islands in the Pacific. Kuehn, first sentenced to death, was later committed to 50 years at hard labor.

SUPREME COURT:

Bans Compulsory Salute

Reversing a previous decision by a 6 to 3 vote, the U. S. Supreme court ruled that the nation's public schools cannot require pupils to salute the flag.

Said the majority: "Compulsory unification of opinion achieves only the unanimity of the graveyard. . . . No official . . . can prescribe what shall be orthodox in politics, religion, nationalism or other matters of opinion. . . ."

Load Freight Cars

In 1942 railroads of the United States attained a new high record in the average number of tons per carload freight, the Association of American Railroads announced. The average for that year was 40.1 tons per car. This is the fourth consecutive year in which a new high record has been established. In 1941 the average was 38.2 tons and in 1940 it was 37.7 tons.

A True or False Quiz for Owners of ELECTRIC ROASTERS

STATEMENT—Meats should be kept in the refrigerator until ready to roast.
☐ TRUE ☐ FALSE
The above statement is **False**. Meat should be taken out of the refrigerator 2 or 3 hours before roasting.

STATEMENT—Before roasting meat, the roaster should be pre-heated to maximum temperature.
☐ TRUE ☐ FALSE
The above statement is **True**.

STATEMENT—Meat should be browned 30 to 45 minutes with vents open.
☐ TRUE ☐ FALSE
The above statement is **True**. After browning, turn heat control to lower temperature (as indicated in directions for roasting various meats).

STATEMENT—You should not add water to meat unless braising or stewing.
☐ TRUE ☐ FALSE
The above statement is **True**.

STATEMENT—Vegetables should be cooked with plenty of water.
☐ TRUE ☐ FALSE
The above statement is **False**. Vegetables should be cooked with as little water as possible (1/4 to 1/2 cup hot water).

STATEMENT—The electric roaster is not suited to summer cooking.
☐ TRUE ☐ FALSE
The above statement is **False**. Your electric roaster is especially suited for summer cooking. Thick insulation keeps the heat in the roaster and out of the kitchen.

STATEMENT—A complete meal—meat, potatoes, vegetables and dessert—can be cooked in the electric roaster at one time.
☐ TRUE ☐ FALSE
The above statement is **True**.

STATEMENT—The electric roaster is convenient for servicemen dinner parties.
☐ TRUE ☐ FALSE
The above statement is **True**. The reason is that any type casserole can be made in quantity in the well of the roaster. Try it the next time.

STATEMENT—The large inset pan should always be left in the roaster, regardless of the cooking process.
☐ TRUE ☐ FALSE
The above statement is **True**.

STATEMENT—When cooking meats and vegetables both should be placed in the roaster at the same time.
☐ TRUE ☐ FALSE
The above statement is **False**. Vegetables require a shorter cooking time, and are normally placed in the roaster after the meat has been started.

STATEMENT—The electric roaster is ideal for canning fruits or acid vegetables.
☐ TRUE ☐ FALSE
The above statement is **True**.

STATEMENT—Hot foods can be taken to outings in the roaster.
☐ TRUE ☐ FALSE
The above statement is **True**. Foods can be prepared at home in the roaster and carried along to the outing. The thickly insulated roaster will keep the food piping hot for hours.

Electricity has gone to war—don't waste it!

PUBLIC SERVICE COMPANY
OF NORTHERN ILLINOIS

HIGHLIGHTS . . . in the week's news

SOFTWOOD: Softwood lumber will be made available for essential farm repairs. About half a billion board feet will be released by the War Production board.

TOBACCO: Possibility of a shortage of tobacco, caused by unrestricted buying for export, was voiced when government officials conferred with leaders of the industry recently.

SHIPPING: Shipping losses have been lower in June than in May, in which the smallest losses since Pearl Harbor were sustained, says the OWI.

ARMY: An army of about 2 1/2 million men will be maintained for some time after the war, according to statements to a house subcommittee.

Breeding Association Plans Open House in July

The Northern Illinois Holstein Breeding association will hold an open house on Sunday, July 18, according to an announcement received from William McCredie, St. Charles, chairman of the committee in charge of arrangements.

Other members of the committee are: Elbert Elsbury of Gurnee, an Association director, Wilbur Goeke of Dundee, manager of the Association and Farm Advisers Arthur Johnson of Kane county and John H. Brook of McHenry county.

Details of the program will be announced later but preliminary plans to date include an opportunity to inspect the bulls in service. Professor C. S. Rhode, extension dairyman of the College of Agriculture, University of Illinois, will discuss the breeding program of the Association.

Dairymen of Northeastern Illinois in greater numbers are appreciating the breeding opportunities offered by this program. At the present time technician E. C. Lunn and Mr. Goeke are inseminating more than 300 cows each month.

LEGAL

ADJUDICATION AND CLAIM DAY NOTICE

NOTICE IS HEREBY GIVEN to all persons that the first Monday of August, 1943, is the claim date in the estate of WILLIARD T. CULVER, otherwise known as WILLARD T. CULVER, Deceased, pending in the Probate Court of Lake County, Illinois, and that claims may be filed against the said estate on or before said date without issuance of summons. All claims filed against said estate on or before said date and not contested, will be adjudicated on the first Tuesday after the first Monday of the next succeeding month at 10 A. M.

Where Will Money Come From?

People ask: "Where will the money come from?" to reach the thirteen-billion dollar objective of the Second War Loan. The answer is simple. The people HAVE the income.

When we produce munitions or peacetime goods, or anything else, we likewise produce income. For every dollar of production, there is a dollar of income.

The problem of war finance boils down to this—if individuals and businesses receive more income after taxes than there are things produced for them to buy, then excess funds arise. The government deficit is matched by the combined surplus of everybody else. This surplus should be put into Government securities to wipe out that deficit.

They give their lives . . . You lend your money.

University of Illinois Newspaper Collection One of World's Best

One of the world's important newspaper collections, and the greatest in the West, is located in the University of Illinois library. Here on row after row of shelves are 20,000 volumes of more than 700 different newspapers. Each volume is as large as a full newspaper page and is several inches thick.

The list of Illinois newspapers is the largest in existence anywhere, and that of foreign language papers printed in America is the largest in the nation. The Illinois paper file includes 7,636 volumes of papers from 100 countries. The foreign language section includes 3,661 volumes of 315 different publications.

Of the 225 Illinois newspapers for which complete files of the last 25 years or more are in this library, no similarly complete files of at least half are in any other library. Of some, not even the publisher has a complete file as that at the University of Illinois.

War Takes 96¢ Of Each Dollar

Out of every \$18.75 that is invested in a War Bond, \$18 goes into guns, planes, tanks, ships and other military equipment. The 75 cents goes for ordinary governmental expenditures. Out of every dollar 96 cents goes toward the war effort and 1 cent goes for Government "business as usual."

The same ratio applies to all other securities the Government has offered investors in the Second War Loan campaign (or 13 billion dollars).

42 Special War Courses Offered at U. of Illinois

Forty-two special war-emergency courses are being taught at the University of Illinois. These are in addition to the University's regular offerings, a large part of which have war-time values which are being emphasized during the emergency.

Among the special courses are two to train women technicians for industrial metallurgical laboratories, and others to train students in airport design, structural design of airplanes, interpretation of maps, military athletics, "commando" swimming, world regional geography, camouflage, and economic problems of the war.

Public Health Engineering Courses Started at U. of I.

Training in public health engineering to prepare men for a field in which the opportunities have greatly increased in the last five years is now being offered by the University of Illinois.

The new course is one of only a half-dozen in the nation, and the only one of its kind in the state. Employment in this field is primarily with the federal or state governments.

What Is Inflation?

Do you have excess cash? You will answer, "No." But the fact remains that "No." For almost every wage earner these days has an income, in checkbook or pocketbook, well above the cost of his living, taxes, insurance and debt repayments.

You never actually "bid" against anybody for a porter-house steak, but when you take the spending of all average Americans as a group, it's a different story. So it is important that excess money be saved rather than used collectively to bid up prices. If it is spent, instead of saved, prices soar . . . That's inflation.

Ideally, it should be invested in Government securities during the Second War Loan. "They give their lives . . . You lend your money."

Youngest man ever to be president of the University of Illinois Board of Trustees is 36-year old Park Livingston, graduate of the University in 1936, who worked his way through school. University trustees are elected for six year terms by vote of the people of the state. Livingston, elected in 1941, was named Board president last March. He is a Chicago businessman; lives at LaGrange.

Effect of Heat on Rats

Rats under deep anesthesia were subjected to uniform severe heat injuries involving 75 per cent of the skin surface. When they were stored at a temperature of 75 F., mortality was 25 to 32 per cent. However, when the animals were placed in colder rooms set at 32 or at 55 F. the mortality rose to 100 per cent. When placed in a heated environment of 99 F. the mortality also increased to 100 per cent.

Ear Stopper

A new type of ear stopper, made from transparent, plastic lucite, which eliminates the hazards of loud noise, burns and foreign bodies involving the ears in certain types of industrial work is reported.

Vegetables Best Unchanged

Most food value is obtained from vegetables when they are changed as little as possible before serving. Those which can be eaten raw will provide more vitamins and minerals than when cooked. Peeling removes food elements, and stripping the green leaves off head lettuce and cabbage wastes a considerable share of the vitamins.

Spray With Molasses

Grasses and alfalfa do not contain enough sugar to ferment properly and it is customary to spray the chopped material with a weak solution of cane molasses, as it is being blown into the silo. Good ensilage can also be made by mixing finely ground cereals with the chopped greens, if molasses is not obtainable.
